## Letter from the SECA Advisory Board and Charity Representatives

Fellow Illinoisan:

Thank you. Thank you for taking the time to read about the hard working charities in Illinois. Thank you for joining with State and University active employees and retirees to show support for communities across the state. Thank you for considering a gift through the annual SECA campaign.

SECA allows you to give to charity either through annual payroll deduction or by writing a one-time check. Fill out the included form indicating the amount you want to give and which incredible charity you want to give to. Then turn the form into your SECA ambassador. This simple act leads to meaningful change in across Illinois.

**By giving a little, you can help a lot.** Your individual act of good combined with your fellow State and University employees makes a dramatic difference in providing support for those who need it most.

State and University active employees and retirees have participated in this program for years leading to countless charities receiving millions of dollars. We're asking you to join their efforts and continue Illinois's tradition of supporting our neighbors and helping our communities.

Thank you again for your careful and generous consideration of participating in the SECA campaign this year. As one Illinois we show that through giving a little, we help a lot.

Sincerely,

SECA Advisory Board  
and Member Charities

## Providing Leadership and Education for the Health Care Community

Our cancer screening guidelines go through a rigorous, evidence-based review to help patients and their health care providers make the best choices to screen for cancer.

- Our prevention guidelines help people reduce their risk of cancer, and our survivorship guidelines help people live life to the fullest after cancer.
- We work in communities across the country to get health care professionals information and resources to help more people prevent cancer or find it early, when it may be easier to treat.
- Our three peer-reviewed journals inform health care professionals about emerging science so they can provide the best possible care for their patients.

# Our Mission: Illinois

Building healthier lives, free of cardiovascular diseases and stroke.

## Kevin is why.

Kevin is a cardiac arrest survivor, thanks to the quick work of his wife, Kate. She performed CPR and saved his life. Now, the couple are active volunteers for the American Heart Association, spreading awareness and conducting CPR trainings.

### Saving Lives

Over the past decade, death rates from heart disease and stroke dropped by about 31% and 36%, respectively. The American Heart Association's advocacy, quality and research efforts played a major role in this stunning decrease.

### CPR and First Aid

We trained more than 19 million potential lifesavers worldwide, including more than 562,000 Illinois residents over the past year. You can learn the two steps to save a life at [handsonlycpr.org](http://handsonlycpr.org).

### Groundbreaking Research

Since 1949, the American Heart Association has invested more than \$4 billion in research nationwide. We're also changing how we approach research with One Brave Idea and Strategically Focused Research Networks. We are providing more than \$20.4 million to fund 99 studies at Illinois research institutions.

### Healthy Communities

We advocate for CPR and AED training for all and ensure stroke patients receive the right care, right away. We're working towards healthier generations by changing the legal age to purchase tobacco products from 18 to 21 and reducing consumption of unhealthy, sugary drinks. We continue to push for daily, quality PE for all Illinois kids. You can join our grassroots efforts at [youarethecure.org](http://youarethecure.org).

### Quality Health Care

In the coming year, Quality & Systems Improvement will launch two multi-hospital quality initiatives focused on increasing treatment compliance in high-risk, diverse patient populations.

### Multicultural Initiatives

We are improving high blood pressure control among African Americans and Hispanic/Latinos through our Target BP program and healthy food and beverage toolkit. Our signature events, such as the Most Powerful Voices Gospel Tour and Go Red Por Tu Corazón Mother's Day Celebration, educate and empower at-risk communities.

EarthShare Illinois is an alliance of America's leading nonprofit environmental and conservation charities, working across Illinois and the nation to protect human health and the environment.

The environment is our drinking water, our neighborhood parks, our children's schools, the air we breathe and the food we eat. Take care of the environment and it will take care of you.

Through the generosity of individuals at the workplace, EarthShare Illinois members are helping locally, nationally, and globally every day to:

- Offset the harmful effects of climate change;
- Reduce the number of asthma attacks children experience due to poor air quality;
- Eliminate industry-caused mercury in our waterways and fish that can cause health problems;
- Plant millions of trees that clean our air, reduce topsoil erosion, and provide homes for wildlife;
- Save endangered species, like the California condor and giant panda, and their habitats;
- Conserve and restore Illinois prairies and their native species; and
- Preserve open space and parks for our recreation, exercise, and wildlife.

We make it easy for you to make a difference. You can give to EarthShare Illinois or choose your favorite organization(s).

### WHAT IS SPECIAL OLYMPICS ILLINOIS?

It's the power of sports. Special Olympics Illinois provides year-round sports training and athletic competition in a variety of Olympic-style sports for children and adults with intellectual disabilities. Through programming in sports, health, education and community building, Special Olympics Illinois is transforming the lives of people with intellectual disabilities. Special Olympics Illinois provides opportunities for more than 43,000 athletes, 45,000 volunteers and thousands more people statewide through 11 Regional programs in all 102 counties of the state. Special Olympics does not charge athletes or families to participate in the program. We rely solely on contributions of corporations, individuals and civic organizations to make all of this possible.

### SPECIAL OLYMPICS ILLINOIS PROGRAMS

#### YOUNG ATHLETES™

The Young Athletes™ Program is an innovative sports play program for children ages 2 to 7 with intellectual disabilities and their peers, designed to introduce them to the world of sports. The program is designed to address various specific levels of play, including physical activities focused on developing fundamental motor tracking and hand-eye coordination.

#### UNIFIED CHAMPION SCHOOLS®

With sports at the foundation, the Unified Champion Schools® program offers a combination of activities that equip young people with tools and training to create sport, classroom and community experiences that reduce bullying and exclusion, promote healthy activity and interactions, combat stereotypes, eliminate hurtful language, and engage young people in activities that lead to more inclusive and accepting attitudes, behaviors and school climate.

#### ATHLETE LEADERSHIP

Athlete Leadership prepares athletes to serve in meaningful leadership roles throughout the organization. Athletes are acting in these roles beyond the playing field or sports competition. Opportunities for athletes include: Global Messenger, Member of the Special Olympics Illinois Board of Directors, local committee member, games management, Input Council, coaching, volunteer or fundraising.

#### UNIFIED SPORTS®

Unified Sports® is a program that combines approximately equal numbers of Special Olympics athletes and peers without intellectual disabilities (Unified Partners) on sports teams for training and competition. Sports currently offered are bocce, golf, soccer, tennis, flag football, basketball and volleyball.

#### HEALTHY ATHLETES®

The Special Olympics Healthy Athletes® Program offers health services and information to athletes in need. Its screenings educate athletes on healthy lifestyle choices and identify problems that may need additional follow-up. Special Olympics Illinois currently offers five different health screen programs throughout the state: FUNFitness (physical therapy), Healthy Hearing (audiology), MedFest (sports physical exam), Opening Eyes (vision) and Special Smiles (dentistry). In 2017, nearly 4,000 athletes received screenings.

**To donate to your local United Way, please refer to your county listing and use the 7-digit SECA code listed for your county.**

United Way of Illinois is a statewide association advocating on behalf of 51 local United Ways. United Way of Illinois Statewide Association – Code 100-0000

In communities across Illinois, local United Ways are advancing the common good by addressing the needs of your community.

Local United Ways operate independently, bringing together people and organizations to identify, assess and address your community's health and human service needs. Each United Way is led by local volunteers and works to meet the immediate needs of families while developing long term solutions based upon the priorities of your community such as: Education, Income and Health – the building blocks for a good quality of life.

Each United Way is a partner in change, delivering measurable results by working with the people who bring the passion, expertise and resources needed to get things done.

We invite you to be part of the change. You can give, you can advocate and you can volunteer. That's what it means to LIVE UNITED.

Local United Ways are independent, 501(c) 3, not-for-profit organizations. As such, each United Way establishes their own policies and procedures for handling donor directed contributions.

Where local United Ways list member agencies with a 7 digit SECA code, the donor's directed contribution is automatically sent to the selected agency.

Where local United Ways list agencies but do not include a SECA code, the contributions are distributed through the local United Way's Community Fund and volunteer review process.

Each local United Way determined how they would be listed in the SECA booklet and any questions should be directed to the specific local United Way.

To find out more about United Way, log on to United Way Worldwide's website at [www.liveunited.org](http://www.liveunited.org). ## ***JOINING THE SECA LEADERSHIP GIVING CIRCLE***

### ***LEADERSHIP IN GIVING***

The Leadership Giving Circle recognizes individuals contributing \$250 or more to one or more charities in the Illinois State and University Employees Combined Appeal (SECA). Individuals giving at the Leadership level serve as strong examples to others and share the desire to help meet critical needs in their community.

### ***COMMITMENT***

Joining the Leadership Giving Circle is strictly voluntary. Contributions to SECA charities at any level are greatly appreciated and help make a difference in the lives of people who really need help. Knowing we can rise above the problems facing our community, our state, and the world, we can accept the challenge to keep pace with ever-growing needs by accelerating growth in our campaign.

### ***RECOGNITION***

To become a member of the Leadership Giving Circle, make your SECA contribution at the desired giving level. Be sure to check the appropriate box on the pledge form under ***Leadership Giving*** to be recognized or anonymous. Leadership Givers choosing YES will be recognized by their chosen charity(ies), receive a Leadership Gift and have their name listed on the SECA website. Leadership Givers choosing to be anonymous, will not be recognized by their chosen charity(ies), receive a Leadership Gift or have their name listed on the SECA website.

### **Leadership Giving Levels**

Bronze - Membership is achieved by an annual gift of \$250 to \$499

Silver - Membership is achieved by an annual gift of \$500 to \$999

Gold - Membership is achieved by an annual gift of \$1,000 or more

Diamond – Membership is achieved by an annual gift of \$2,500 or more

### ***STATE EMPLOYEES — PARTNERS IN GIVING***

Participation in the State and University Employees Combined Appeal is important. Any gift is greatly appreciated and helps make a difference. Support of the SECA campaign demonstrates a willingness to help a single need or many needs within the community. Thank you for your gift and understanding the impact and significance of a personal commitment through SECA.

## ***Benefits of Payroll Deduction***

- ✓ Creates great employee morale and goodwill within the workplace through organized giving.
- ✓ Easier method of giving rather than a larger one-time gift.
- ✓ Makes a meaningful gift over time through small contribution each pay period.
- ✓ Manage your own philanthropy – you know when deductions start and that they can be stopped at any time.
- ✓ Minimizes costs and maximizes the contribution.
- ✓ Proven to increase individual gifts to charity at least four times over a given period and increase the overall campaign four-to-five times over that same period.
- ✓ Saves time and takes little effort.
